

Hi,

I am Ms Rhonda. I have been working for Northlake Montessori for over 11years. I worked in pre-school when I first started here. I soon after accepted the position of Assistant Director. I have been teaching kindergarten at Northlake for the last three years. And that is where I am happiest. My education is in Early Childhood. I have worked in childcare for over 30 years. I have taught pre-kindergarten and kindergarten during that time. I enjoy seeing the growth in each child thru the year.

I have been married for 31 years and have two fabulous daughters. I am passionate about family history and in my spare time you will find me on my computer looking up my ancestors. Family is always first.
