- ❖ Please have children here by 9:20am so they can share in our community circle time. We start class at 9:40am and it can be difficult for children to come late and enter into an already engaged room. Also, it's important to keep your child's cubby fully stocked with all the things they need during the day; nap items, extra clothes, and proper outdoor items depending on the weather.

 - ❖ We e-mail a newsletter at the beginning of every month that talks specifically about what the children will be busy with. We will also e-mail you periodically to remind you about upcoming events and classroom updates. Make sure we have your e-mail address if you would like to be on the mailing list!

 - ❖ Show and tell is once a week. Your child will have an assigned day to bring something to share. Books, pictures, stories (sharing an experience), and toys are all good ideas. Please leave extra toys and other items at home or waiting in the car if it is not their show and tell day. Assigned days will be posted on the door and in class.

 - ❖ There will be homework packets that go home every Monday and are due by Friday. They are good review for some of the things we work on in class and good chance to work with your child. Please turn them in to the homework box by your child's mailbox. This is preschool, so just do your best and complete as much as you can!
