

Pre-K 4

2014-2015

Ms. Sheree & Ms. Debbie

Welcome to Pre-K 4 and the start of a new school year! I wanted to give you a little info to help us all get off to a great start and make this transition just a little easier. To sum up this class in a few words... Our room is designed for children to enhance their independence and discover everything they find interesting in life. As their teachers, we will provide them with a wide variety of challenging materials and new experiences. We will also be having a whole bunch of fun and silly times (and a few serious ones ☺). All of this is provided with our love and passion for sharing our world with theirs.

This room will become a very important place in you and your child's life, so Ms. Debbie and I will do our best to always keep an open line of communication and make you feel comfortable. We will communicate through Facebook (Northlake Montessori page) and are always available to chat. Come talk when you can or schedule a meeting if needed. Our web page (www.nlmontessori.com) will also have any information you might need plus fun photos of your children. Again, welcome to Pre-K 4.
