

Ms. Kim

Hi, my name is Kim Telford. I am from Yorba Linda California. We moved to Washington when I was 9 years old. I always knew I wanted to work with children. I love to watch them explore and learn new things. I am the youngest of 3 children. I have two wonderful boys of my own. Jeffrey is 23 and he lives in Everett and works as a welder at the shipyard in Seattle. Then there is Connor who is 16 and a Junior at Snohomish High School. He is on the wrestling and cross country teams and did baseball for a select team in Snohomish as well. My husband works at Lakeside Industries in Issaquah. I began working with Infants in High School. I spent the past 9 years working at a facility in Everett, where I was a Primary Lead teacher of two year olds. Before that I worked as a substitute teacher for the Sharyland School District in Texas. I have my CDA from Renton Technical College and I have taken numerous Child Development classes at South Texas and Everett Community College. In my spare time, I enjoy walking my dog and spending time with my family and friends. I would like to take this opportunity to say how happy I am to get to know each of you and your child. If you have any questions, feel free to talk to me.

Ms. Krystal

Hello! My name is Krystal Shafer. I started working at Northlake Montessori January of 2015. I have always been very good with kids, many of my friends and family have told me through the years how they could see me as a teacher. I took a Child Development class in high school, and worked with a class of Kindergarteners for a semester. Outside of work, I love writing, painting and photography. I am looking forward to all that the future holds here at Northlake!
