

Ms. Olga

Hello, my name is Olga Kolosov. I have been working for Northlake Montessori in the Toddler Program since 2006. I love this job because I love working with children. I moved to the United States from Kazakhstan 11 years ago and I am very happy here. I recently got married to my wonderful husband Nicholas and we live in Kenmore. I have participated in many trainings and classes related to Early Childhood Education and love teaching your children. When I am not at Northlake I enjoy hiking, swimming, working out and spending time with my husband. I am expecting a baby girl this March!
