I am very happy to work here at Northlake Montessori because the staff and children make a wonderful experience in my life.

**Ms. Maribell 7:30am-4:30pm**

My name is Maribell Parra Forero. I have been working in waddlers for about 6 months now. I am from Colombia and Spanish is my home language. I am currently attending ESL classes and really enjoying learning the English Language.

In Colombia I went to school to get a degree on Early Child Education. I took many classes with the focus on early learning and working with children and families.

As you see I do love with children. I have one little one of my own. He is 4 years old. I am very active. I consider myself to be very happy and I always have a great attitude.

I love to work in Waddlers! My favorite part of the day is walking in in the morning and getting a lot of love from them and seeing their sweet and happy faces. I also enjoy leading circle time and singing with the children. I would like to take this opportunity to say how happy I am to get to know each of you and your child.
